Let's not fool ourselves that writing fiction is easy. If it were, everybody would be writing great fiction.. I'm Randy Ingermanson, known around the world as "the Snowflake Guy" in honor of my "Snowflake method" for designing and analyzing novels.. Why? Because one day I realized it was simpler to design my storylines and create my characters BEFORE I wrote my novels. [Video Downloaded Ultimate For Mac](#)

Each story was tough to write. But the later novels were a LOT easier than the earlier ones.. I've got more than thirty years of experience writing software. So I wrote a program, Snowflake Pro, to make the steps of working through the Snowflake method a joy — at least for me.. "You'll find that some people love it and some don't. That's because different people are different, which is fine by me.. I added in four examples of Snowflake analyses of popular books and movies (I'd like to thank my daughter Carolyn, who has a degree in English Literature, for helping me write these four example Snowflakes.. Writing a novel is hard. The Snowflake method helps you organize your ideas, but it also makes you work.. That has become the most popular
